

# Climate Change on the Central Coast

Sponsored by Newport Citizens Climate Lobby  
and 350.org Oregon Central Coast

Newport Public Library  
Wednesday September 19  
7:00PM-8:30 PM

**You Are, by Accident of Fate, Alive at an Absolutely Critical Moment in the History  
of our Planet**

## Speakers:

**Sonny Mehta** from Renew Oregon will discuss  
possible upcoming state climate change legislation.

**Evan Hayduk** from Midcoast Watershed Council will  
discuss measured changes in sea level.

**Martin Desmond** from Citizens Climate Lobby will  
speak about progress in our local community.

**Bill Kucha** with 350.org Oregon Central Coast will discuss  
efforts to have Newport endorse the Human Rights  
and Climate Change Poster

\* Citizens Climate Lobby (CCL) is a nationwide non-profit, non-partisan grassroots advocacy organization focused on national policies to address climate change. CCL supports a market-driven carbon fee and dividend approach to reduce carbon dioxide to 50% of 1990 levels while creating 2.8 million jobs. For information about the Newport CCL please call: Martin Desmond at 541-968-5143 or Diane Pugh at 314-604-2126

\* 350.org Oregon Central Coast is a member of the worldwide 350.org organization. This international group encourages citizens to action with the intention of pressuring world leaders to address climate change and reduce Co2 levels from 400ppm down to 350ppm, a level that scientists have predicted would prevent drastic changes in our climate. The local group can be found on Facebook at 350 Oregon Central Coast.
